Dear Ms Beggs,

Re: Raychel Ferguson (Lucy Crawford Aftermath)

I refer to point 1 of my letter of 6 November 2012 (BMcL-0018-12), in which I asked for any policy etc of the SLT/Erne Hospital in 2000 regarding transfer of patients from one hospital to another.

In your response of 29 January 2013 you said that your client was unable to locate any such policy etc.

Irrespective of the absence of documents can you please take your client's instructions as to what the Trust/hospital policy was in 2000 in relation to inter-hospital transfer of patients and in particular what the policy was in relation to the provision of patient information to the receiving hospital -i.e. when, where, and by what means patient information was to be provided to the receiving hospital.

Yours sincerely,

Brian McLoughlin
