Dear Madam,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS – LUCY CRAWFORD

I refer to the above and write to advise you that, it has been brought to my attention that, Professor Scally attended and contributed to a Clinical Governance Seminar held by the former Sperrin Lakeland Trust. This is documented at page 25 of, the document entitled, "Appendix A" which is attached to Mr Mills witness statement (WS-293/1). Furthermore I am instructed that Professor Scally worked with Dr Tom Frawley for a short period on a project in Zimbabwe. It may be that you are already aware of Mr Scally's involvement with the Trust and Mr Frawley.

I trust that this is in order.

Yours faithfully
