Dear Ms Beggs,

Re Raychel Governance

I refer to the above.

The Inquiry team have created the attached document in an effort to represent the organisational structure of Altnagelvin Hospital Trust at the time of Raychel's treatment and death in 2001. I would be grateful if your client would review this document for accuracy and provide any missing or additional information. Should they hold any charts reflecting the organisation of the Trust then and now, I would be grateful to receive the same.

I would be grateful for a substantive response on or before Monday 28th February 2013.

Yours sincerely,

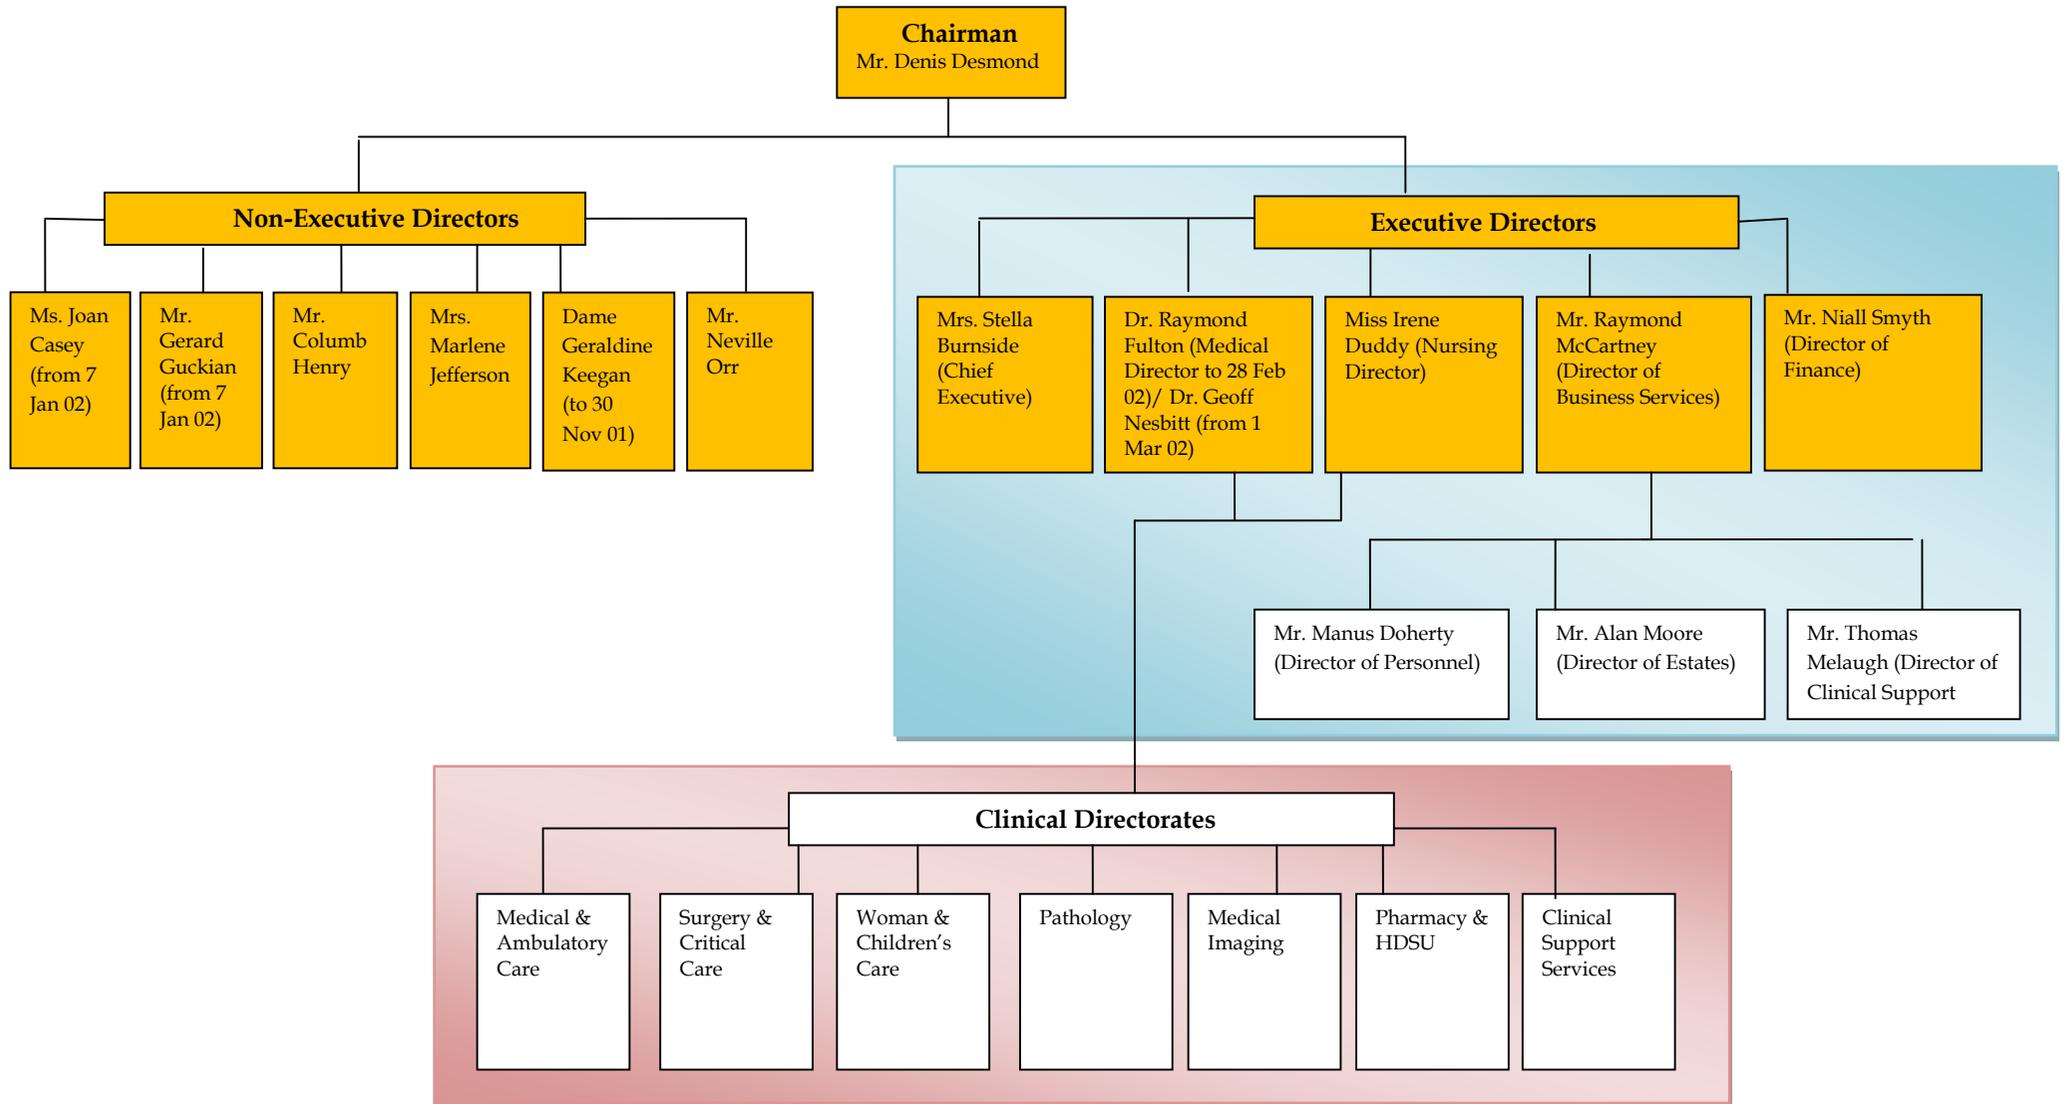

Anne Dillon
Solicitor to the Inquiry
