Dear Ms Dillon

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS - RAYCHEL FERGUSON GOVERNANCE

I refer to your letter dated 27th February 2013 and our earlier response dated 15th May 2013. Further to same I reply as follows: -

1. There does not appear to be any reference to "Clinical Audit Study" in this document rather there is reference to "Clinical Audit Strategy". The Trust are currently searching for this document and I will revert to you in respect of this request as soon as possible.
2. I now enclose a copy of the Patient Casenote Standards for your attention.

Yours sincerely
