"This email is covered by the disclaimer found at the end of the message."

Dear Anne,

I refer to your email of 31st July 2013. The Trust wishes to clarify that the letter of 11th April 2013 refers to the overarching Heading of Clinical Governance and Quality Improvement, as referred to in the Trust Annual Report, which encompassed the following areas: -

- Clinical effectiveness
- Risk Management
- Training and Development

I am instructed that there was no separate Department or Unit within the Altnagelvin Trust called the 'The Clinical Governance and Quality Improvement Unit'. Furthermore the Trust confirms the Structure as provided is correct and as you are aware the Clinical Risk Management reporting arrangements were dealt with in AD -0554-13

I trust that this is in order.

Kind Regards,

Joanna

Dear Joanna

Attached is a letter from you dated 11th April 2013. It encloses an amended organisational structure for AHSST.

The letter refers to a "Clinical Governance and Quality Improvement" unit. I would be grateful if you would mark on the chart where this unit sits within the organisational structure.

Many thanks

Anne
