Dear Madam,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS – RAYCHEL FERGUSON

I refer to the above matter and to your letter of 24th May 2013.

I am instructed that it is the Trust believes that the name, to which you refer, is P Webb rather than D Webb and relates to Mrs Pauline Webb. Mrs Pauline Webb, at that time, would have been Patient Liaison Manager for The Royal Hospitals Trust. Part of Mrs Webb's role was to liaise with patients and their families as and when appropriate. Mrs Webb would also have attended Coroners Inquests in a patient/family liaison role.

I am instructed that the original correspondence will have been received into the Trust in the Chief Executive's Office and the staff there would have taken the decision as to who should receive a copy of the letter for action/information. This correspondence would have been sent to Mrs Webb for information only. As this correspondence was a letter of claim Mrs Webb would not have been involved in this case.

Yours faithfully
