Dear Ms Bolton,

Re: Raychel Ferguson Governance

I refer to the above.

In the course of giving evidence on 17th January 2013, Mr McKee indicated that he was worked in accordance with an "*Accountable Officer Memorandum*." You will see from page 6 of the transcript of that day's evidence that Mr Simpson QC undertook to locate such a memorandum.

I would be grateful if that document was provided together with any similar document in existence for the Chief Executives of the then Altnagelvin Trust and Sperrin Lakeland Trust for the period 1999-2002.

In respect of the request for the document referred to by Mr McKee, I would be grateful to receive it by return; for the others, within 7 days please.

Yours sincerely,

Anne Dillon
