Dear Ms Beggs,

Re: Raychel Ferguson

Thank you for providing, through Ms Bolton, much of the documentation requested by the Inquiry. I appreciate the effort which it can take sometimes, especially during the summer, to track down information. There is now only a small number of documents which we have requested in letters dated 1st BC-0208-13 and 15th August BC-0211-13 (copies attached). If they could be sorted out in the next few days I would be obliged.

As we approach the final stages of the Inquiry I am anxious not to be delayed by missing documents as we have occasionally been in the past. The continuing cooperation of your team in DLS and your clients will help avoid any final issues arising.

Yours sincerely,

JOHN O'HARA
