Bernie

I refer to your request for documents dated 17 June 2011 and would confirm that the Department have searched their records and have been unable to find the information requested by the Inquiry. However as it involved correspondence with the Postgraduate Dean of the NI Medical and Dental Training Agency they also contacted them to see if they could locate anything. They have provided the 3 documents below and are continuing to look for the particular items requested by the Inquiry. I would suggest that IHRD may wish to speak to Pauline Dardis (the Dean's secretary) directly about this. Her contact details are given below.

If I can be of any further assistance please do not hesitate to contact me at the number below.

Kind Regards

Catherine Rodgers
