Subject: TRIM: Dr H Campbell - Report of Sir Cyril Chantler

Dear Catherine and Alistair

At reference 006-044-410 there is a letter from Sir Cyril Chantler to the then CMO, Dr Campbell. The third line of the letter refers to his "report". I would be grateful if you would provide me with a copy of this report together with any documents relating to discussions of previous drafts of the report or comments made by Sir Cyril.

It appears that on 28th June 2004 the CMO reconvened the Working Group "in light of the remarks of Sir Cyril Chantler." Please provide documents relating to this. I would be grateful for your earliest response.

Kind regards
Anne
