Dear Madam,

Re: Our Client – Dr Murray Quinn

During oral submissions on Friday, 7th June 2013 an issue arose as to whether consent would be required from Lucy Crawford's parents before an expert could be asked to prepare a report. We would be grateful if it could be confirmed whether such consent was provided in connection with Dr MacFaul's report.

We anticipate that any expert instructed would only require access to those documents which have already been subject to consideration at the Inquiry, many, if not all of which would appear to be accessible from the Inquiry website.

Yours faithfully,

Carson McDowell LLP.
