Dear Madam,

Re: Our Client – Dr Murray Quinn

As we anticipate you will be aware, four handwritten pages were passed by Mr James Counsell to the Inquiry Team this morning, on behalf of Dr Quinn. Those documents have been distributed by the Inquiry this morning and have been given reference numbers 324-012-002 to 324-012-005.

Dr Quinn found the documents in question whilst checking papers yesterday evening, prior to giving evidence today. Dr Quinn quite appropriately immediately drew the documents to our attention yesterday evening and they were, therefore, passed to the Inquiry this morning, at the first available opportunity.

Dr Quinn had not previously appreciated that he held these documents. We do, however, wish to apologise that the documents had not previously been identified.

Yours faithfully,
