Dear Madam,

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS

I refer to the proposed opening statement provided on behalf of the family of Conor Mitchell.

The Trust strongly objects to an opening by the family which addresses issues about the treatment and management of Conor Mitchell which strays outside the limited Terms of Reference. Only issues relating to fluid management and adherence with the Guidelines should be the subject of opening comments by the family's representatives.

Yours faithfully

Joanna Bolton
