Dear Ms Conlon

RE: INQUIRY INTO HYPONATRAEMIA RELATED DEATHS – CONOR MITCHELL

I refer to the disc containing the documentary entitled "Casualty" made by Stirling Film and Television Productions which was hand delivered to your office last week. I also refer to Ms Bolton's email to you concerning the matter. I can confirm I have been informed by Stirling Productions that the footage was shot at the end of 2003 and beginning of 2004.

I would be grateful if you could confirm whether the DVD or a screen shot of the relevant scene will be issued to the interested parties.

Yours sincerely
