11. NIPEC Update

DH1/10/196683

Ms Barrowman provided a review of work progressing within NIPEC including:-

- An evaluation process to assess the infrastructure to support learning and assessment in practice which was a significant piece of work and will be available on the NIPEC website.
- QA work continues with a group to be convened in December to review the 10 under-pinning principles.
- Record keeping project has developed and recently launched a set of online tools and resources for the NIPEC website and Trusts are encouraged to make use of this service.
- Leading Care Project has been completed and CNO will write to Chief Executives and Human Resources Directors with a set of actions to be taken forward.
- Scoping exercise for safeguarding training is to progress and will take account of work completed within "Think Child Think Family". Mrs McLernon, Nursing Officer will ensure that nursing and midwifery are well represented with involvement from Deirdre Webb, PHA.
