Professor Shields,

Is the wallchart that you refer to below, the one entitled 'Parenteral Therapy for Fluids for Children Over 4 Weeks and Under 19 Years', which was discussed at your recent meeting with officials from DHSSPS?

Thanks *Typing error - should be 16 years*

I think the view is that it will take us a considerable time for our group to make any modifications to IV Fluids WallChart - so Jarlath/Patrick/myself happy for you to good ahead with your relaunch 'as is' approved version

best wishes
