David

Good afternoon.

With regard to the Hyponatraemia Wall Chart for Children.

Would you please set up another poster?

Could you please alter the title on the top, as guideline has been spelt guildline.

The title at the top should be as follows.

DHSSPS LOGO
Sept

PARENTERAL FLUID THERAPY for CHILDREN & YOUNG PERSONS
(AGED OVER 4 WEEKS & UNDER 16 YEARS)

2007

Amended February 2010

Please keep the layout of the title the same as in the previous poster.

The amended date has changed to February 2010.

Should you have any queries please contact me.

Many thanks

George
