Jonathan

Many thanks for organising the distribution of the Hyponatraemia Charts, The Charts need to be issued to each of the Medical Directors in the HSC Trusts as below .

- *Belfast Trust* - 40
- *Northern Trust* - 40
- *South Eastern Trust* - 30
- *Southern Trust* - 15
- *Western Trust* - 15

We are holding the remaining 10 in the office so if you can find somewhere to store them that would be great as well

Please also adapt the attached letter to the individual trusts and include with the charts, I'll sign them when you have them printed off

Hyponatraemia Hyponatraemia

Just ask if you need to clarify anything

Thanks
