Elizabeth,
As I am not a paediatric gastroenterologist, I am afraid that I am not qualified to review this.

Dear Colleague

Thank you for agreeing to participate in the local review of NICE guidance for applicability to HSC. NICE has recently published a Clinical Guideline on Management of acute diarrhoea and vomiting due to gastroenteritis in children under 5. I would be grateful if you would complete the attached pro forma and return to this E Mail address by 3 June 2009

You can access the guidance by clicking on the link below
