Dear Ms Chamberlain

RE: THE INQUIRY INTO HYPONATRAEMIA-RELATED DEATHS

I refer to correspondence dated 17 May 2005 regarding the above matter and would comment as follows.

Having read the content of the correspondence, the specifics of the questions seemingly relate to the role of "Hospitals Trust" and the role of Doctors and Nursing staff.

I would therefore be grateful if you could clarify for me any specific information that may be required by the Inquiry in relation to this organisation as an Ambulance Trust.

Please do not hesitate to contact me to discuss this matter.

Yours sincerely
