ACTION POINTS UPDATE**

In Advance of Meeting on 24th June 2013

NUMBER	ITEM	ACTION	MANAGER	UPDATE	OPEN / CLOSED
6/Nov 2012	Organisational Updates Gain	Joint Letter of thanks and commendation on the Fluid Charts to Julian Johnston	CMO CNO CPO	A Draft letter has been drawn up. An update on Elearning package is expected to be included before issue (10-12-12) Dr Julian Johnston advised that tender for the printing of charts has been finalised and they are ready to print. This will be funded by each of the Trusts. The date for consultation on the training package has past with one Trust still to reply. Some minor changes are required which 2 weeks has been allowed for. He advised that GAIN will be contacted to arrange audit of the chart and it will be included in the audit cycle. Further improvements may be made a year or more from now resulting from the audit. (04- 03-13) Update Dr Donnelly advised that the letter is being finalized and will be distributed shortly once issue with wall chart resolved	Open
